6 OCTOBER 2024

Dear Postgraduate Students,

This memo serves as formal notification that the University Senate convened on 5th August 2024, has duly approved the implementation of the **Postgraduate Thesis Writing Guide (1st Edition)**. This guide is applicable to all individuals enrolled in UTHM postgraduate programs, whether at the Master's or Doctor of Philosophy level. The revised guide shall come into **effect as of 1st October 2024**.

All candidates **submitting** their final hardbound thesis from **November 2024** onward are hereby mandated to adhere to the updated guidelines set forth in the aforementioned edition. Non-compliance may result in academic penalties, including but not limited to, the rejection of thesis submissions.

All relevant materials, including the revised guide and updated appendices, can be accessed and downloaded from the Centre for Graduate Studies (CGS) website at <https://cgs.uthm.edu.my/>. To obtain the new Student Declaration Form, navigate to the "Regulation and Guideline" section on the CGS website and refer to Item 4: Thesis Writing Appendices. The new Thesis Writing Guide is available under Item 3 on the same page.

We highly encourage all postgraduate students to familiarize themselves with these revisions to ensure compliance with the new requirements. Thank you for your attention to this important matter.

Yours sincerely,
