

THESIS BY PUBLICATIONS

CENTRE FOR GRADUATE STUDIES, UTHM

WHAT IS THESIS BY PUBLICATION?

The Thesis by Publication serves as an alternative format for the presentation of research thesis. Compilation of research articles published in high impact journals and approved by UTHM senate conducted during the period of candidature in UTHM postgraduate program. Articles published prior to enrollment cannot be accepted as part of the thesis. No articles can be considered for inclusion that have arisen from research previously submitted for examination for another degree.

GUIDELINES FOR WRITING THESIS BY PUBLICATIONS

1. Approval by the supervisor
2. Submission of application for Thesis by Publication to the Dean of Centre for Graduate Studies, UTHM
3. The articles had been accepted and published to the standard of high impact journals within the research area as approved by the faculty.
4. The articles written should address a significant research question or questions and present a clearly identified original contribution to knowledge of the subject within the research area.
5. Each article published shall represent a chapter for the thesis. The content of the articles needs to be written in the thesis in accordance to UTHM Thesis Writing Format (Section 5.2).
6. Need to seek permission for republication of published articles from the publisher.
7. The student(s) should be the sole author of the publication(s), or joint author, where the student is expected to be in the capacity of primary author or the corresponding author.
8. The student(s) with more than ONE (1) affiliations, should state Universiti Tun Hussein Onn as the first affiliation.
9. Student with Malaysian citizenship may write the thesis in Bahasa Melayu or English.
